Hi Matt,

Ex. 5 Deliberative Process (DP)

Also, for your awareness, attached is the draft of our statement in response to the State's announcement. Julia will also send this through the normal HQ approvals once it's ready for that step.

Regards,
Mike

Mike – thanks --- let me know if R9 RA has any pushback to our revisions

Julia, yes, my understanding is that's correct, but I'll double-check

Hi Matt,

DTSC was also wondering if it would be accurate to characterize the Infrastructure Bill as separate and apart from the 2022-23 budget proposal, which also increases funding. Is this correct?

Ex. 5 Deliberative Process (DP)

Thank you!

Hi Matt,

Per your request, for OLEM awareness here is California DTSC's draft press release making the Exide/NPL request announcement. This is tentatively set for this Friday, and will be accompanied by a State of California press event (that we are not joining).

On a related note, here is our draft quote from our RA for this DTSC press release:
